The peculiarity of this bike is that even novice riders can control it. Motorcycle models of 2009, 2010, 2011 and 2012 differ in some technical characteristics and appearance. The capacious gas tank of this Suzuki motorcycle allows you not to think about refueling for 500 kilometers. Suzuki SV650V was the only representative of the brand in Milan at EICMA 2017 in Italy. During World War II, it almost ceased its activities. Suzuki motorcycles became famous for their victory in motorcycle racing in 1953. It is perfect for both racing and just for long-distance tourist trips. The first Suzuki to roll off the assembly line was a bicycle equipped with a 36 cm³ engine. The Suzuki GSF 1200 Bandit was one of the brand's best-selling motorcycles.
